The director and two key staff from each center may attend, **RSVP** by September 15<sup>th</sup>. Because of time constraints we will be having a working lunch. Two options; bring your own lunch or bring your favorite standardized recipe to share. We thought it might be interesting and fun to have a 'Potluck' with different recipes to try. We anticipate 40-50 participants at the CDA workshop, a recipe for 25 will probably be plenty for all to taste a sample. Bring a copy of the recipe with you. In Lewiston area plan for 15-20 participants.

**How are your binders coming along?** Let us know if you are needing assistance in any area or obtaining documentation? Due August 31<sup>st</sup>.

As you are working on your binders comprised of supporting documents for your menu items. Remember to include:

1. 'CN' labels or PFS (product formulation statement) on file for commercial products used.
2. Nutrition labels for all grains being served and grain calculator with portion sizes.
3. Standardized recipes for combined dishes/entrées on menus.
4. Keep original or copies of receipts on site.
5. Copies of enrollments on site
  - ❖ Your monitors will ask to see your documents at your site reviews.
  - ❖ Keep in mind the SDE will be conducting a follow up review to determine if we have corrected the findings. We are working hard to be in compliance.
