Reimbursement Rates

Effective July 1, 2016 – June 30, 2017

	Tier I	Tier II
Breakfast	1.31	.48
Lunch	2.46	1.49
Supper	2.46	1.49
Snacks	.73	.20

You may notice that home rates did not increase this year, they either stayed the same or decreased by one or two cents. This is due to how the government reviews and calculates rates of reimbursement.

Civil Rights Training

You may go to our web site at cacfpstdp.org/traininghtml and complete your civil rights training for this year. Bring your completed certificate to the CACFP training and you will be able to leave early.

For providers that use electronic paper work the following dates will apply to you.
Region 1 – You will have your new master spreadsheet for December.
Region 2 - You will have your master spreadsheet for November.
A reminder to update your menus for the coming year.
