### Civil Rights Training

To complete your civil rights training, for this fiscal year, before the workshop.

You may go to  
<http://www.sde.idaho.gov/site/cnp/civilRights/>

Submit your completed certificate to the office by the 28<sup>th</sup> or bring to the CACFP training and you will be able to leave early. 😊

### **New Meal Pattern**

We are excited to present the changes in the "New meal Pattern" at the workshop! These changes have been a long time coming. 😊

### **FYI**

Electronic paper work: "New" masters have some cool new features that we think you will like! 😊 Also, they are being updated to reflect changes from the new meal pattern. The USDA is giving some guidance on how to use the "New Meal Pattern", allowing for early implementation, which the SDE is encouraging. **Please Note:** Meals following the old meal pattern until October 1, 2017 will not be disallowed. \*\*\*You will be receiving your new master in the near future. Since the updated menu template will have the 'new meal pattern', these masters will not include your menus that are on file, menus will need to be added, helping you to be in compliance with the new patterns.
